**“West Berkshire Mencap Leisure Plus scheme”** provides people with learning disabilities over the age of 18 with the opportunity to participate in educational, sport and leisure activities of their choice both with their peers and through integration within the wider community.

As well as offering in house run activities across a broad spectrum Leisure Plus also offers an outreach facility for homes enabling them to book art & crafts, sports or cooking sessions for their clients in the home environment.

All activities are offered at very competitive prices to enable maximum participation. Experienced and qualified instructors run all activities.
