

How to make a rainmaker

Use a tube such as a Pringles tube or kitchen towel roll

You will also need:
glue, pens,
cardboard, foil, tape,
rice/ lentils, (optional
– string, ribbons,
beads, feathers)

Decorate the tube, or
decorate some paper
to cover the tube

Glue the decorated
paper to the tube.

Make a cardboard
top and bottom for
the tube if needed

	
	<p>Crunch a long piece of foil into a snake shape (the bends should be as wide as the tube)</p> <p>Or/ and</p>
	<p>Fold a cardboard strip into a zigzag shape (the width of each zig/zag should be almost as wide at the tube)</p> <p>Tape the zigzag or foil snake to the inside of the lid, and place inside the tube</p>

	<p>Add rice and/or lentils</p>
	<p>Tie ribbons or string around one end for decoration (add feathers or beads)</p>
